

Andrzej Kowalski

Member of the Supervisory Board

Energomontaż-Południe S.A.

Mr. Andrzej Kowalski has been on the Supervisory Board in Energomontaż-Południe S.A. continuously since December 1997.

Since the beginning of his professional career in 1970, he has worked for “Energoprojekt – Katowice”. First, he worked as Assistant Designer. He moved up the professional ladder and in 1990 he was promoted from the position of Chief Designer to Director of the state enterprise. When “Energoprojekt” was transformed into an independent joint stock company on November 1, 1993 he was appointed the position of President of the Management Board and Managing Director.

Mr. Andrzej Kowalski is a graduate of the Silesian University of Technology, Faculty of Automatics. From 1977 to 1981 he worked as Junior Lecturer in the Institute INT of the University of Silesia. He was responsible for automatic projects completed within a few years in some power plants and still working there. He developed a model of digital automatics based on computer system which is still used today. His academic success translated into a Ph.D. degree in the field of information theory, 1979, and articles in professional journals. Mr. Kowalski was born in 1947.

Since 2002 Mr. Kowalski has been Member of the Supervisory Board in “Instal – Kraków” S.A. From 1997 to 2004 he was Member of Supervisory Boards in the following companies: Energoprojekt – Consulting S.A., Balcke-Dürr Polska, Energoaparatura S.A., Sefako S.A. Fabryka Kotłów, Fabryka Kotłów Rafako S.A. and Chemar S.A. Zakłady Urządzeń Chemicznych i Armatury Przemysłowej.
